Alderman Wihby asked the fourth one down, the \$50,000, what exactly is that one for again.

Mr. MacKenzie answered that was a request by the Economic Development Office to refund the revolving loan fund. It has been somewhat inactive for awhile but there is an active interest in a loan and the Economic Development Officer asked that they use CDBG funds for this.

On motion of Alderman Wihby, duly seconded by Alderman Shea, it was voted that the Resolutions ought to pass and be Enrolled.

Alderman Wihby stated I want to discuss the \$50,000 for the baseball feasibility study. Does it have to be done in Finance or could that come up later under new business?

Deputy Clerk Johnson replied it was taken up at the Board level the last time so it could be taken up by the Board.

There being no further business, on motion of Alderman Shea, duly seconded by Alderman Garrity, it was voted to adjourn.

A True Record. Attest.
